

Industrial CLUB – from the idea...

Idea

- To create a club of private partners interested by the PRIMES activities
- To develop privileged partnerships
- To capitalize on existing complementarities

Advantages for the members

- Invitation to the PRIMES scientific days and annual assembly
- Access to PRIMES publications
- R&D issues submission to PRIMES members
- Organization of meetings, seminars, overlapped and crossed demonstrations...
- Display on PRIMES website
- Creation and sharing of PRIMES / industrials Club directories
- Relay of jobs offers, masters trainees opportunities, missions...
- Fiscal deduction of the adhesion and/ or donation
- Others? Any suggestion?

Industrial CLUB - ... to the creation

Rules to be fixed

- Costs adhesion modalities (will depend on nature and size of the adherent structure)
- Administration of the funds
- Official procedures (choice of the juridical structure)
- *Any suggestion is welcome and as a starting point:*
